It's a-bout time that I face my self, all I do is bleed
 Look-ing back I don't re-gret a thing, yeah, I took some bad turns

in - to some-one else. Paint-ing walls with all my se - cret tears,
 that I'm own - ing. I'll stand still and let the storm pass by,

fill-ing rooms with all my hopes and fears. But oh, my, oh, my,
 keep my heart safe 'til the time feels right.

I'll nev-er learn if I nev - er leap, I'll al-ways yearn if I

nev - er speak. To be loved and love

at the high - est count, means to lose all the things I can't

live with-out. Let it be known that I will choose to lose,

it's a sac - ri - fice but I can't live a lie. Let it be known,
