Half-time feel

G F# G

Look out \_ for your-self! I wake up to the sounds of the words up on the wall, as you're

si-lence that al-lows for my mind to run a-round with my ear up to the ground. I'm search-ing to be-hold the pray-ing for my fall. And the laugh-ter in the halls and the names that I've be called. I stack it in my mind and I'm

stor-ies that are told when my back is to the world that was smil-ing when I turned. Tell you you're the great-wait-ing for the time when I show you what it's like to be words spit in a mic.
