Verse 2:

Tied to a chair and the bomb is ticking
 This situation is not of your picking
 You say that this wasn't in your plan
 Don't mess around with the demolition man.

Verse 3:

You come to me like a moth to the flame
 It's love you need but I don't play that game
 'Cause you could be my greatest fan
 But I'm nobody's friend, I'm a demolition man.
