mf For

A few stolen moments is all that we share
 You've got your family, and they need you there
 Though I've tried to resist, being last on your list
 But no other man's gonna do
 So I'm saving all my love for you

It's not very easy, living all alone
 My friends try to tell me, find a man of my own
 But each time I try, I just break down and cry
 Cause I'd rather be home feeling blue
 So I'm saving all my love for you

You used to tell me we'd run away together
 Love gives you the right to be free
 You said be patient, just wait a little longer
 But that's just an old fantasy
 I've got to get ready, just a few minutes more
 Gonna get that old feeling when you walk through that door
 Cause tonight is the night, for feeling alright
 We'll be making love the whole night through
 So I'm saving all my love
 Yes I'm saving all my love
 Yes I'm saving all my love for you

No other woman, is gonna love you more
 Cause tonight is the night, that I'm feeling alright
 We'll be making love the whole night through
 So I'm saving all my love
 Yeah I'm saving all my love
 Yes I'm saving all my love for you
 For you, for you
