Guy: Jade?

Girl: Alexander?

Guy: Do you remember that day you fell out of my window?

Girl: I sure do. You came jumping right out after me.

Guy: Well, you fell on the concrete, nearly broke your ass. You were bleeding all over the place.

I rushed you out to the hospital. You remember that?

Girl: Yes, I do.

Guy: Well, there's something I never told you about that night.

Girl: What didn't you tell me?

Guy: Well, while you were sitting in the back seat smoking a cigarette you thought was gonna be your last, I was falling deep, deeply in love with you, and I never told you until just now.

Girl: Aww, alright!
