2.  
3. She's a-five foot six and two fifteen,  
A bleached blonde mama with a streak of mean;  
She knew how to knuckle  
And she knew how to scuffle and fight.  
And the roller derby program said  
That she were built like a 'frigerator with a head,  
The fans called her "Tuffy,"  
But all her buddies called her "Spike."  
(Chorus)  
Well, I could not help but fall in love  
With this heavy duty woman I been speakin' of;  
Things looked kind of bad  
Until the day she skated into my life.  
Well, she might be nasty, she might be fat,  
But I never met a person who would tell her that;  
She's my big blonde bomber,  
My heavy-handed Hackensack Mama.  
(Chorus)
